CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are only conditions under which bids will be received.

Coins and medals are sold at **so much per PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for \$1.00 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. **THOMAS L. ELDER.**

THE F. W. DOUGHTY COLLECTION.

It is with pleasure I announce the sale of the very important collection of Cards, Tokens, Coins and Books of that veteran collector, F. W. Doughty, Esqr., now retired. Also the collection of H. C. Menze, Esq.

Mr. Doughty has been a collector all his life and the New York and Jackson series here offered represent his efforts covering a long period of years or research and study.

This Collection is of such size and importance as to merit special notice. The New York Tokens, comprise the largest list ever offered in a single sale, with a great many unlisted in the book of the N. Y. Numismatic Club. The Collection of Hard Times Tokens is important and large, and includes Low Nos. 1, 17, 61, 77, 87, 89, 105, 118, 150, 176, as well as a great number less rare in unusual preservation. About One Thousand Civil War Tokens are catalogued. The Collection of Colonial and Continental pieces numbers several hundred. There are Foreign and United States Gold, Silver and Copper Coins and Paper Money, also Private American Gold Coins.

Mr. Doughty's Numismatic Books are important numismatically and historically and some Rare and Valuable Works are catalogued. The sale totals around 1250 lots and will be divided into two sessions, on September 28th and 29th. These dates were selected to enable Numismatists at the Baltimore Convention to attend, and those visitors will be welcomed. Please give this interesting and varied sale your careful attention.

Mr. Menze's Collection is varied and important, as this catalogue will show.

THOMAS L. ELDER,
Cataloguer.
